

EMPLOYMENT SCREENING
SOLUTIONS
BUILT TO MEET YOUR
BIGGEST CHALLENGES

MAKE SAFER AND MORE INFORMED HIRING DECISIONS.

As one of the top 10 background screening and compliance management companies in the nation, CastleBranch provides the power to attract and retain a safe workforce. CastleBranch provides nearly two-thirds of colleges and universities, businesses and other organizations with a wide array of products and services.

A true industry leader, CastleBranch offers technology driven solutions for your entire organization, including employees, students, contractors, vendors, volunteers and more.

100%
OF RECORDS REVIEWED
IN HOUSE

Our experienced experts manage and review all records in house. Your applicants' personal information always remains securely in the United States.

MORE THAN JUST BACKGROUND CHECKS.

CastleBranch offers a wide variety of **customizable solutions and services** to meet your evolving needs.

- › Nationwide, state, and county criminal records, sex offender and abuse registry searches
- › Verification services—employment, education, professional license, etc.
- › Motor vehicle records
- › Drug testing services
- › Credit reports
- › Social media screening
- › HIPAA and OSHA training
- › Free EEOC and FCRA compliance education materials and webinars

Record Scan

Automatic alerts from the CastleBranch Administrator Portal provide a visual status of documents so clients can quickly see which items need attention

CastleBranch is proud to be an accredited member of the National Association of Professional Background Screeners.

“Less than 5 percent of all background screening companies receive this highly coveted accreditation. It is a reflection of our commitment to clients and a testament to our experience, accountability and high professional standards.”

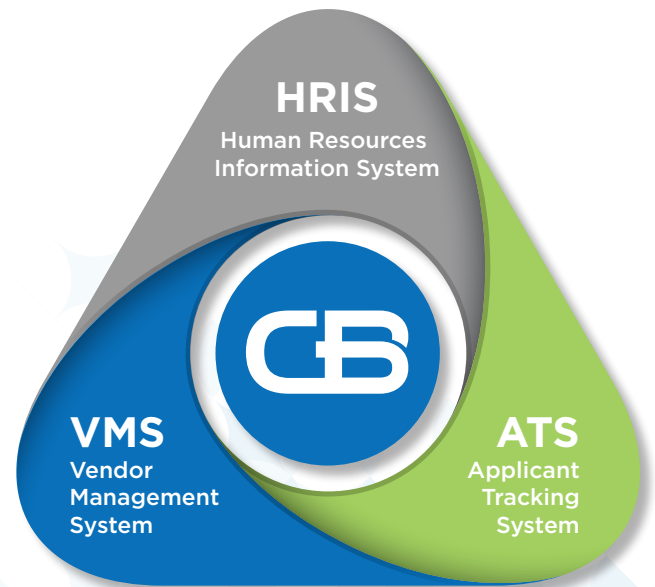

— Brett Martin, CEO & Founder

CASTLEBRANCH INTEGRATION

CastleBranch also offers numerous integration solutions to fit the unique needs of your organization and to help you better manage your employees with increased efficiency.

CastleBranch consultants will work with you to customize solutions and provide ongoing support. CastleBranch can help you to work smarter, not harder as you seek to avoid costly litigation, enhance productivity and make more informed hiring decisions.
