

Dedicated to serving schools and their students

THE COALITION CONSORTIUM PROGRAM

The health and well-being of your students is essential to their academic success – and reliable insurance coverage can help minimize the impact that an accident or illness can have on their education. UnitedHealthcare Student Resources partnership with The Coalition for College Cost Savings (The Coalition) works to bring member organizations a student injury and sickness insurance plan that provides superior coverage and dedicated support services for their students.

Join the more than 70 colleges and universities benefitting from our partnership with The Coalition today!

About The Coalition Consortium Program

UnitedHealthcare Student Resources, in partnership with The Coalition, are offering member schools a Consortium Student Health Insurance plan designed to meet the health insurance needs of today's college students, including:

- » Students in Need of Health Insurance
- » Students Required to Have Coverage
- » International Students
- » Student Athletes

By taking advantage of The Coalition Consortium Program, you get even more value-added services.

- » Dedicated Customer Service & Claims Units
- » Quick and Easy Online Enrollment & Payment
- » Convenient Online Student Portal for Easy Access
- » Fully Managed and Personal Services for Schools & Students

About UHCSR

UnitedHealthcare Student Resources (UHCSR) is a member of the UnitedHealth Group family. Our organization is dedicated to providing year-round health insurance products to college and university students nationwide. Student Resources has been serving students for over forty years. Since joining UnitedHealthcare, UHCSR has expanded and enhanced opportunities for our clients by providing access to UnitedHealth Group's technology applications, business services and UnitedHealthcare's national network of physicians and other health care professionals as well as hospitals.
