

"We have expanded access in a controlled and secured fashion. It was relatively simple to give people access to get the data they needed."

- Stan Sulkowski, Director of University Reporting, Medical University of South Carolina

Analytics, Reporting, and Data Visualization for Higher Education

Human Resources
How can this team access the Dataset?

- No access
 - Dataset does not appear
- Full read access
 - Dataset appears in the list
 - View all records
- Custom read access
 - Dataset appears in the list
 - Records are filtered out via a saved filter
