

SIMPLIFY YOUR TELECOM NEEDS

ONE PROVIDER FOR ALL SOLUTIONS

Granite delivers one-stop voice and data solutions to governmental agencies, educational institutions and multi-location businesses throughout the United States and Canada. The initial goal was simple - to make sourcing and managing local and long-distance phone services easier for our customers. Granite is able to do this by providing:

- Savings up to 50%
- A single point of contact, program manager for all customer service issues
- One customizable invoice for all customer locations, both enterprise and nationwide
- An exclusive web-based portal that allows for inventory visibility, customized reporting, usage, ticketing, and more

THE GRANITE ADVANTAGE

The features that make Granite a preferred provider of over 75 of the Fortune 100 companies include:

- 24x7x365 Customer Service
- Fully-staffed even during severe weather
- Years of experience in multi-location product rollouts
