

# Graduate to more convenient and lower-cost health care

The Coalition for College Cost Savings and UnitedHealthcare, working together to better serve private higher education institutions.

The Coalition for College Cost Savings (the Coalition) was built upon the idea that colleges and universities are stronger together. As part of the Coalition, you benefit from the collective buying power of the entire group. This helps lower the cost of health benefit programs while improving the quality of care at the same time.

## Perks of the program

### Tailored services that make the grade

The Coalition collaboration with UnitedHealthcare is designed to be flexible to create self-funded plan designs that work for your institution, with the added benefit of gaining access to UnitedHealthcare's national network. Our tailored services include clinical integration, network solutions and engagement initiatives — all focused on better health outcomes.

### A streamlined experience that's in a class of its own

The Coalition program with UnitedHealthcare is designed to create smooth experiences and transitions for your faculty and staff. A dedicated account management team serves as a one-stop shop, and we tie all programs together while providing helpful tools and resources, empowering your people to stay engaged in their health.

### Smarter ways to earn financial rewards

Combining the resources of UnitedHealthcare and the Coalition, we aim to decrease costs and increase efficiencies. These financial benefits include tiered pricing, integrated pharmacy benefit management through OptumRx, competitive self-funded administrative fees and stop loss savings, as well as reduced annual trend adjustments through the College Care PhD program.

### Our expanded analytics provides a more detailed health report card

UnitedHealthcare puts data to work, examining every aspect of health care management and cost of care. With that analysis, we're able to make smart recommendations to benefit your institution's bottom line.

The UnitedHealth Premium® designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at [myuhc.com](https://myuhc.com)®. You should always visit [myuhc.com](https://myuhc.com) for the most current information. Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician.
