

# SCREENING SOLUTIONS BUILT TO MEET YOUR BIGGEST CHALLENGES.

You do the hard work to fill the world with brighter minds. You deserve to find and retain the perfect person for your school, worry-free.

For over two decades, **CastleBranch** has defined technology-driven screening and clinical experience solutions to specifically address higher education and health care process challenges for institutions just like yours.

As champions of best practices, we thrive on decades of unparalleled resources and expertise that no one else in our industry can rival. We are hundreds of industry experts, all located—by design—at our single-location headquarters in North Carolina, each dedicated to bringing worry-free insights and efficiency to your talent supply chain.

## Exclusive Features:

- Exclusive CCCS member discounts on screening solutions.
- Screening solutions built for our customer base of 70% of all colleges and universities—representing 80% of nursing students nationwide.
- Fully customizable clinical experience solutions through **CB Bridges™** that streamline the entire clinical experience process in one easy-to-use platform.
- A 400+ member team built of subject matter experts, support, implementation and onboarding specialists, engineers, operations members, and our own in-house legal team, all 100% committed to your satisfaction and success.

## SCREENING SERVICES TO MEET YOUR NEEDS:
